

ICS is proud to have received this Certificate of Commendation from JXTG, Japan's #1 Refining Group

Below is a translation of the certificate:

表彰状 : **a Certificate of Commendation**

To: Industrial Cooling Solutions, Inc.

Your company had greatly contributed to the rapid recovery over our company's Cooling Tower of CT-4 in Japan which had gotten enormous damaged by the Typhoon 21.

While many other industries also had tremendous hard time to mobilize workers to secure materials, your company utilized the maximum technical and expertise skills and knowledge to facilitate fixing our Cooling Tower. Your effort of helping us led to achieve in operating all machinery again on October 16 only after 42 days from the disaster.

We deeply appreciate your admirable professionalism and responsibility and we award you the Certificate of Commendation.
